**December 22, 2011**

Children put the MERRY into Merry Christmas and the HAPPY into Happy Holidays. It's simple. It's the children who bring us blessings and remind us of why we want peace on Earth and goodwill for all. They inspire us to bring a wonderful New Year. Thank you for sharing your most precious gifts with us at BHCS.

Love and joy~

### **Dental Services Coming to BHCS**

For those of you who signed your children up this past fall for dental services here at BHCS, the dental hygienist is scheduled to be here on January 6th, 13th, and 20th, 2012. The dental hygienist who will be providing these services is Alyssa Wade, from Prevention Works Inc. She will be providing dental cleanings, fluoride treatments, and sealants for those who are signed up. She will be attempting to contact all parents who signed up their children this past fall. Please be expecting her call sometime between now and January 6th, 2012. If you have any questions or concerns, please contact me. Thanks very much, and have a wonderful holiday season with your children and families!!! See you again in 2012.

### **PTF News**

\*Thanks to everyone who helped to make last Saturday's Holiday Workshop for Kids such a success! Over a dozen stations provided something for everyone, made possible by many parents, teachers and friends of BHCS. Special thanks to Heather Nelson for being the coordinator elf extraordinaire!

\*Thanks to everyone -- families and classrooms -- who has contributed to the Holiday Dinner boxes. They are looking full of holiday cheer and goodness!

\*The Go Local Discount cards will continue to be available in the New Year. We've now recovered our

investment in the cards, so everything now will go toward special programs and activities at BHCS.

Thanks for continuing to spread the word about what a great deal they are.

\*The next PTF meeting will be Wed., Jan. 11 at 6:30 PM.
